

## **Friends of Barnfield Sandbeds Meeting 30th January 2020**

**Apologies :** Joyce Bradley

**Present :** Carole Danbury Lynn Pinson, Marion Goodrich, Glen Sibley ,Phil Goodrich, Patricia Field,

**Matters arising :** none

**Adoption of Minutes:** Phil and Glen

Marion advised that we have received the grant from Veolia and Andy Aston advised us to look at purchasing the strimmer from Buxtons, and this has now been ordered.

The Duke of Edinburgh award volunteers worked at clearing the paths on Sunday and it is going very well.

Marion had a meeting with Maggie and Claire from the BKV about the wildlife plaques and they suggested we buy 15 6" discs which Charolotte can decorate and Claire can glaze and fire.

Rodbaston have invited us to their volunteer Fayre but having been last year we did not feel it was appropriate for our group.

Phil gave his financial report, Current balance £1844.94

Pending transaction £368.90 (strimmer) Available funds £1476.04

Pending payment (veolia) £350.00

Forecast balance £1826.04

**AOB**

Phil suggested we keep clearing the paths with the Duke of Edinburgh volunteers.

Patricia asked if we had considered a rope at the top of the slop just inside the sandbeds to stop people falling. Marion said she did not think this was appropriate due to health and safety aspects of rope.
