Barnfield Sandbeds lies just north of Brewood Village Centre between Engleton Lane and Horsebrook Lane.

Car parking is available in a lay-by in Horsebrook Lane and in Stafford Street public car park (a few minutes walk using the gate in Orams Lane off of Engleton Lane

We have lists of the various forms of wildlife that may be seen or heard around the site. Under the following Categories

Amphibians, Animals, Autumn Fruits, Bats, Beetles, Butterflies, Fungi, Invertebrates, Shrubs, Trees and Wild Flowers

The lists will be added to as new sightings are made and updated on the web site.

These lists include the name description and images of the subject and are available as PDF Files which may be downloaded and printed directly from the web site.

The lists are intended to be an educational tool for Schools groups and individuals as well as a record of When you saw the subject.

We are very grateful to the North East Wildlife web site for allowing the use of their many wildlife photographs. The photos either from North East wildlife or our own Photographs taken on site at the Barnfield Sandbeds by Members of the Friends of Barnfield Sandbeds

The map in the centre of this leaflet show the overall Layout of the site showing named areas pathways nesting box locations and the entrance gate.

A great deal of work has been undertaken by South Staffs Council and the Friends of Barnfield Sandbeds to provide you with this beautiful wildlife preservation area. Please treat it with the respect it deserves

If you wish to tell us about your visit please e-mail us on info@friendsofbarnfieldsandbeds.co.uk or visit us at one of our General Meetings (Full details are on the web site on our Events Diary page)
