**Present :** Carole Danbury, Joyce Bradley, Lynn Pinson, Marion Goodrich, Glen Sibley

### **Adoption of Minutes: Joyce and Glen**

Marion has still not had a response from SSDC to explain why the wrong trees have been felled. SSDC have asked us to complete a survey concerning green spaces which has been completed and returned.

On the 29th September there is a working party to complete the bug hotel and plant the bulbs we have ordered.

Marion has been contacted by Charlotte from St Marys School who has asked if she can bring around 32 children pond dipping on the 30th September or 2nd October 2019. Marion has agreed to this but we need to price nets and observation trays as Sue Shanks normally provides these.

The Fungi Foray is booked for 6th October 2019 and a working party on the 27th October 2019.

Financial Update: the balance is £1919.03 (£1,500) of which is banked for the next 3 years.

A.O.B : Glen asked if he could purchase more laminating pouches , which was agreed.

Joyce asked if we were going to build another bug hotel and we agreed this was a good idea, and we could possibly place it by the Horsebrook Lane entrance.
