Follow the A52 from Cellarhead for about 11 miles. Go straight across the crossroads at Calton Moor towards Ilam. After 1.5 miles turn left at Blore signposted Ilam and Dovedale. The car park is on the right in 0.2 miles. Take the 2nd entrance. (More scenic)

The walk is 7.5 miles with quite a few ups and downs. We descend to Coldwell Bridge and follow the River Dove to Okeover Hall before ascending to Martin Hill and Woodhouses for lunch. We then walk around Hazelton Clump on our way back to the car park.

This is a very scenic walk in a well known area but well away from the crowds. It can easily be shortened to 5.5 miles (leaving us after the lunch stop) for anyone requiring an easier walk.

Hope to see you there.
